#### ABOUT ME

I joined Davyhulme Park in 1988. I retired from teaching in 2016 so now have more time to play golf. During 2019 and 2020 I was Lady Captain and I am currently a member of the Junior Committee. My role is to try to ensure that children and vulnerable adults are safe when they are here at the golf club. I am here to assist parents, carers, and members with any issues regarding wellbeing or safety.
